D **D/C#** **D/B** **D/A** (or hold D for this line)
When hush falls, when lights go dark,
D/G **D/A** **G** **A** (or **G** **A** **G** **A**)
Together, our claps will start,

Bmin **A** **Emin7**
With a wave of sound, we'll rise up, and play our part,
F#min7
Hear in our hearts ...

G **A**
Trust is the rhythm,
Bmin **A**
Strength the key,
G **A**
Care is the chorus,
Bmin **A**
Hope the melody.

G
When it seems like the music has stopped,
A **Emin7** **F#min7**
Play the song we've got inside us,
G
Listen to love,
Listen to love,
Listen to love,
