

## Tell me about **groove'n'play**

**groove 'n' play vocal and instrumental programmes provide a music curriculum** that supports musical progression in line with the National Curriculum for Music and includes:

- performance through playing and singing (sticks & songs, multi-instrumental programmes)
- reading and playing from notation with an understanding of the inter-related music dimensions e.g. dynamics, tempo, structure
- range of music styles, genres and traditions to increase knowledge and understanding of music
- extended listening and extension activities related to music and other curriculum areas

The high-quality curricular resources are intended to support the development of a child's musical talents and skills as performer, creator and listener. This is achieved through the scaffolded learning that groove 'n' play classroom programmes provide.

Children will be able to:

- understand and demonstrate initial instrumental and playing technique
- sing in a range of musical styles both in unison and parts (sticks & songs, multi-instrumental programmes)
- respond to musical directions and notation linking sound and symbol
- perform as part of a whole-class ensemble

Children will also:

- develop their ability to work effectively as part of a team
- build increased confidence and self-esteem through engagement in varied activities and performance
- gain experience in how to attain high standards of performance and an improved understanding of the process and the work that is necessary in order to achieve this

Through self-evaluation, analysis and increased musical understanding each child is supported to reach the attainable and challenging goals.

**Lifetime licences for groove 'n' play classroom programmes** include:

- teacher's book (print resources) including: permission to photocopy/print materials
- teaching classroom delivery assets (electronic resources)
- access National Curriculum related information
- access to groove 'n' play planning and progression curriculum support materials

## Tell me about **groove@home**

**groove@home provides additional resources** to support a child's learning beyond the groove 'n' play classroom in order to support individual independent practice resulting in the further raising of music standards.

It is recommended that groove@home be used:

- by individual children as a follow up to work in the classroom
- as additional resources to complement groove 'n' play whole class programme delivery

**Annual licences for groove@home online** include:

- access to easy to use online animated programme resources
- scaffolded imaginative and engaging learning tasks
- unlimited access at home and school
