Workshops are for up to 30 children in year 9, 10, 11, 12 or 13. All workshops will be 1.5 hours. Where availability is shown as (for example) "until 2pm only" the chose workshop time should finish by 2pm. These workshops will be hosted in your school. \*Please note the Music Production should ideally be hosted in an ICT suite or a in a classroom with good access to several electric points.

Referring to the availability below - please complete this short booking form: https://www.smartsurvey.co.uk/s/MLTYQB/

You will be asked to select your preferred workshop and date for the workshop. It would helpful if you could have more than one option in case another school chooses the same date.
