## d) Music Mark Schools is Changing

In September 2025, Music Mark are launching the Music Mark of Recognition to replace the Music Mark Schools programme. ## e) New ISM Frameworks for Curriculum, Pedagogy, and Assessment

Designed to support the delivery of music education in primary and secondary schools, these frameworks will help you plan and assess musical learning in your classroom. They can be used in a number of ways: for individual lessons, for medium-term planning, for long-term planning and supporting and evidencing children's musical learning and development over time. They are constructed upon sound research-based principles and evidence into effective teaching, learning and assessment in music.

## g) DfE Data Collection for in-school music delivery

The Music Hub is required by the Department for Education (DfE) to provide data about the music provision in all educational settings across our area. Therefore, we need your help in providing some key data about your school. Thank you if you have already completed the survey, however if you are yet to complete, then a reminder was sent on Monday 7th July. The deadline has been extended to Friday 5th September 2025. Please contact [data@lwmh.org.uk](mailto:data@lwmh.org.uk) if you did not receive the reminder email.

## h) London West Music Hub updates and e-newsletter

All updates about the LWMH can be found in this document ([HERE](#)). We are launching a new LWMH e-newsletter in the Autumn term 2025 to share information and music education opportunities with our community across the 7 Local Authorities.

This will be how our LWMH partners, and the music services, will communicate what is happening and how young people, schools, the workforce, and families can get involved and access what is happening. Please register [HERE](#) so we can add you to the new database and help us build up a new mailing-list network.
