## b) New ISM Frameworks for Curriculum, Pedagogy, and Assessment

Designed to support the delivery of music education in primary and secondary schools, these frameworks will help you plan and assess musical learning in your classroom.

They can be used in a number of ways: for individual lessons, for medium-term planning, for long-term planning and supporting and evidencing children's musical learning and development over time. They are constructed upon sound research-based principles and evidence into effective teaching, learning and assessment in music.

## f) DfE Data Collection for in-school music delivery

The Music Hub is required by the Department for Education (DfE) to provide data about the music provision in all educational settings across our area. Therefore, we need your help in providing some key data about your school. Thank you if you have already completed the survey, however if you are yet to complete, then a reminder was sent on Monday 7th July. The deadline has been extended to **Friday 5th September 2025**. Please contact [data@lwmh.org.uk](mailto:data@lwmh.org.uk) if you did not receive the reminder email.

## g) London West Music Hub updates and e-newsletter

All updates about the LWMH can be found in this document ([HERE](#)). We are launching a new LWMH e-newsletter in the Autumn term 2025 to share information and music education opportunities with our community across the 7 Local Authorities.

This will be how our LWMH partners, and the music services, will communicate what is happening and how young people, schools, the workforce, and families can get involved and access what is happening. Please register [HERE](#) so we can add you to the new database and help us build up a new mailing-list network.

# Musical Events & Opportunities

## a) Youth Voice Council

We are looking for more young people from aged 11-19 to join our Youth Voice Council - a group of musicians representing the voices of students from LBHF, RBKC, and WCC.

- Network with other musicians in the Tri-borough and nationally.
- Organise and take part in special events.
- Meet and have discussions with music industry professionals.
- Have a say on how the Tri-borough can improve to help young people.

The work of the Youth Voice Council is steered by young people, so they have a say in how they want to use it. The council meets on Fridays at 4:30pm online, approximately 4 times a term, and is free of charge. There will also be special online and in-person events organised throughout the year, that we will share information about closer to the time. To become a member, parents of interested students can contact [musichub@rbkc.gov.uk](mailto:musichub@rbkc.gov.uk).

## b) Future Sounds 2026 - Register for Prelims!

In partnership with The Rhythm Studio, Future Sounds 2026 is returning! This is a competition for 11-18-year-old contemporary musicians who are either a solo act, in a duo, or a band. The event is for:

- Pupils who have their own bands outside of school (e.g. groups that contain pupils from multiple schools) must ALL be Tri-borough area residents or attend a Tri-borough state-maintained school (including Free schools and Academies).

N.B You can only enter in one act. We are also capping the registrations we receive at 40.

## e) Springboard Young Composers at RCM

August 2025 - April 2026. Beginner composers welcome! Full details can be found [here](#), including eligibility, dates and how to apply.

This course is designed for students in Year 9 and Year 10 who meet the eligibility criteria and have an interest in creating music - whether they're new to composition or already developing their skills. It's an ideal opportunity for those considering or taking Music GCSE, offering a strong foundation in musical creativity and understanding.

Throughout the course, participants will explore a wide variety of creative projects that introduce different musical genres, compositional techniques, influential composers, visual arts, cultural heritage, improvisation, ensemble writing, group compositional tasks, live performances and recording opportunities.

Participants will also become part of the vibrant musical life at the conservatoire, working closely in a small, supportive group guided by professional musicians and students from the Royal College of Music.
